

Cambridge 10-4-1881.

My dear Lou,

Yours of the 3rd inst.
received this A. M. and also
the two papers sent registered
the 1st received this P. M. The
notices I posted at once so
all so far is right-

Now in regard to not
having written any home news
in my last two or three
letters is explained as follows:
Being obliged to send all
papers without delay have
been forced to write in
haste so as to catch the
mail with only time left
to explain what each

paper required. Now as to the
paper remaining to be signed
the sooner the better now for
it is to be returned to the
court as soon as possible and
then everything is about finished.

A bill of expenses —
there are none, so there can-
not be any bill.

What was the
date of the last magazines
sent to you, I cannot recall
them. Aug. or Sept.

Lizzie would like
to write you but I can
tell you our her a letter.
Hence the reason you have
not heard from her.

Nellie and Charlie
returned to Gardner St.
the 1st inst. and seem
content.

all will have and hope
you are all, well. With love
to all and much to
"Esther",

Yours ever
Alice.
