

Cambridge Aug. 27. 1889

My dear Lou,

I have appointed you and Chas. Coolidge guardians of the children during their minority, and Chas. Harrington and John Ames executors of my will. The two accounts enclosed I wish you to carefully read and then hand them to John Ames or Charles Harrington. I desire you to remain during the six months following my decease at the "House" as provisions will be made in regard to your board. You will then have time to consider what more

will be but for you to  
make when it is requisite  
for you to make a change.

I go before to the  
"Everlasting life, eternal in  
Heaven"

Your husband

Wm A. Amos

Farewell
